Freezer-refrigerator compartment (Cu Ft)

2.8+2.2

**Weight**

(Lbs)

231.5

---

**Technical features**

---

Power voltage (V)

---

115 Vac 60Hz - 220-240 50Hz

---

Upper side power consumption (W)

---

45

---

Upper side current consumption 12Vdc (A)

---

3.78

---

Upper side current consumption 115Vac (A)

---

0.57

---

Lower side power consumption (W)

---

168

---

Lower side current consumption 115Vac (A)

---

2.32

---

Internal cooling unit

---

•

---

External cooling unit

---

**Standard - optional**

---

Interchangeable door

---

standard

---

Magnetic closure

---

standard

---

**Internal LED light**

---

Upper compartment

---

standard

---

**Door finish**

---

Stainless steel

standard

---

**Opening type**

---

Frontal opening

---

•

---

Top opening
