

AC/DC drawer refrigerators and freezers > DW360DTXAC

Model

DW360DTX AC

Volume

Refrigerator compartment (Cu Ft)

5.5

Freezer-refrigerator compartment (Cu Ft)

2.8+2.2

Weight

(Lbs)

220.5

Technical features

Power voltage (V)

12/24Vdc - 100-240Vac 50/60Hz

Upper side power consumption (W)

45

Upper side current consumption 12Vdc (A)

3.78

Upper side current consumption 115Vac (A)

0.57

Lower side power consumption (W)

61

Lower side current consumption 12Vdc (A)

5.1

Lower side current consumption 115Vac (A)

0.72

Internal cooling unit

•

External cooling unit

Standard - optional

Interchangeable door

standard

Magnetic closure

standard

Internal LED light

Upper compartment

standard

Door finish

Stainless steel

standard

Opening type

Frontal opening

•

Top opening
